THE CLEANLINESS EVENT

The cadets of The National College Basavanagudi enthusiastically took part the cleanliness event 26th September 2025 where cadets cleaned the college premises to uphold the importance of cleanliness.

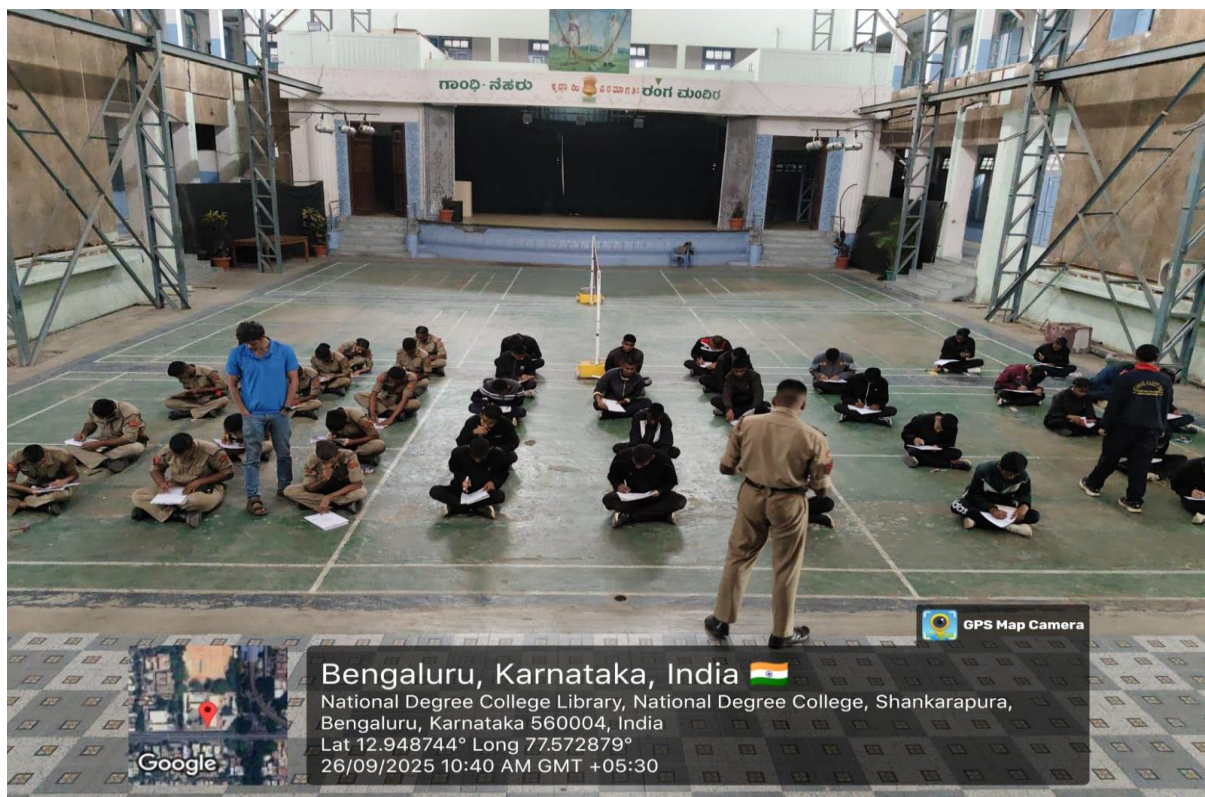

We did a rally near the outskirts of the college with pluck cards creatively done by the cadets themselves giving awareness to people about the importance of the clean and hygienic environments.

The principal of The National College Basavanagudi Dr Ramesh P L addressed the cadets about the event and gave suggestions and encouraged them a lot by giving his insights .

We conducted a drawing competition on given themes that are-1.Make in India , 2. Swachh Bharath, 3.Wildlife Conservation .This program was aimed to encourage and identify the cadets who are creative and competitive .

By participating in cleanliness events, NCC cadets develop essential life skills, a sense of social responsibility, and a commitment to environmental conservation, ultimately shaping them into responsible citizens.
